Abstract	7
Introduction	8
Part I: Muqarnas Analysis	
1. Terminology and Etymology	11
2. Definition	13
3. Origin	19
4. Characteristics and Attributes	27
4.1. Basic Definitions	27
4.2. Formal Criterion	28
4.3. Engineering Criterion	49
4.4. Typology as a Tool for Further Studies	50
4.5. Evolution	51
5. Muqarnas Design Process	53
Part II: Muqarnas Generation System	
6. The Advantages of a Muqarnas Computer Generation System	57
7. Module Design According to the Design Process	59
7.1. Basic Data Module	60
7.2. Basic Engine Module	60
7.3. Muqarnas 2DPP-Types Module	61
7.4. Constructional Aid Module	67
7.5. Calculation of Some Elaboration Tools	67
8. Creation of New Forms	72
9. Conclusions	74
Illustrations	77
System of Transcription of Arabic Characters	149
List of Illustrations	150
